

Letters we like to Receive/Testimonials

Mary, Pat and Fountain Springs Staff –

Thank you for taking such excellent care of my dear friend. When she first arrived at your facility, she was a very sick girl! With your loving and professional care, she is the healthy person we love. We appreciate everything you have done for her. Thank you.

My Dear Family at Fountain Springs:

The card was lovely. Why is it, when I lost him – I hope I didn't lose you. You were like a family. You did so much for Al, and I wish you have known him in his normal days. I said to Pat, "Can I come and visit now and then? Maybe when you have a party I can wait on you "guys." That would be nice. It is hard to express all the love in your hearth to all our family there. You are still our family. Once I have all my affairs straightened – You'll see me.

All our thanks and love to you "guys"

GREETINGS!

My new address is Fountain Springs Care Center where I am doing beautifully. I feel great and am more active and social than I have ever been. My Cadillac walker allows me the freedom to wander the halls, visit new friends, get to my activities, or just set when I get tired. My family takes me out occasionally for lunch, errands or shopping. When Connie comes in the summer, I get out even more often with spontaneous lunches, visits, church or shopping. It is so wonderful to get out and I am very grateful for every opportunity,

At the Care Center, I am treated like a queen, everyone is so kind and helpful. I get three meals a day plus snacks and ice cream. Sundaes on Monday. The beauty shop is down the hall where I get beautiful once a week. A manicurist comes to my room every other week to file and paint my nails. Bingo is three times a week where we win play money to buy stuff at the store, edible and no-edible. The store is open once a month where we make our purchases.

I am so blessed to be in such a wonderful place filled with love and compassion. Hope this finds you all well and happy. I would love to hear from you.

Love,
Emmie Norman

Dear Editor,

I just wanted you to know what a fantastic job all the crew here did during our last blizzard. I live in Fountain Springs Nursing Home and all of them worked very smoothly together!! For awhile all we had was a generator, because the electric was out! But we had a generator to power what was necessary. The crew worked very hard and well together. I just wanted everyone to know how much their hard work and long hours were appreciated!! They couldn't have done a better job!!!

Sincerely yours,
Kathy Ertel
